"Our team is composed of 17-22 year old young men, some are attending post-secondary school at Okanagan College or UBC Okanagan Campus, others may be trying to further their career goals through trades programs or jobs. We are trying to create an environment where all of our team members learn to appreciate the value of giving and to be responsible, contributing members of the Okanagan Community. We are a local, community run, non profit organization, we rely heavily on the support of our Community Partners to fund and support our team. We rely on the community in other areas such as billets, donations in various forms, volunteers, and in some cases businesses that are able to provide jobs for our young men."
